- Website Cost These minutes are approved.

## Attendance:

Angela Henderson

Susan Guidry

Corey Tisdale Romney Richard

Also in attendance: None

Motion by Ms. Henderson to approve meeting minutes from October. Seconded by Ms. Richard. Unanimous approval.  
Residents Who Did Not Receive the Newsletter

- 215 N. Salcedo
- Person on Cleveland
- Some residents are receiving theirs later than others.
- We printed extra magnets and newsletters, about 50 or 60 so we can cover those who were missed.

## Update on Stats From Ronnie

- The number of arrests has remained stable, however more key arrests were made recently, including some significant arrests that will take care of persistent issues.
- Key arrests include a woman who was picked up and identified in connection with a number of burglaries. That arrest also led to finding a store where a great deal of stolen property was being sold. The store is located just outside Mid-City. The arrest connected burglaries on S. Salcedo, Iberville, Baudin and other locations in Mid-City.
- Another key arrest included MCSD officers catching perpetrators immediately after a possible armed robbery in progress. Officers recovered the gun that was used and the money that had been stolen in the armed robbery itself.
- MCSD officers are making about 2 arrests per day &ndash; Ronnie feels that the arrests have been critical arrests that will improve the safety of the area.
- Reports of activity at the Car Wash continues. NOPD had been watching it but will monitor it again per requests of neighbors.

## Status of Laptops for Cars

- The motion was already approved in a past meeting to put the laptops into the officer's cars. Becker will need to cut a check for the laptops so that those can be ordered and installed.
- Ronnie will request the laptops be ordered now.

## Procedure to handle reports of patrols not answering phones

- Ronnie calls the officers when there is a report of no answer. Ronnie is double checks the trip sheet and cell phones cases where there has been a report of no response to a call from a neighbor.

## SURVEY RESULTS

- Susan or Romney will check the PO box for surveys that have come in.

## WEBSITE

- MCSD should be paying the nominal fee for hosting the website.
- Corey will determine the cost of the website and present that to the board for consideration.

MOTION to adjourn by Ms. Henderson at 7:12 p.m. Seconded by Ms. Richard. Unanimous approval.
